SENSE.nano 2019

Agenda

September 30, 2019
Samberg Conference Center, Building E52
50 Memorial Dr, Cambridge, MA.
Register

8:30am
Welcome
Vladimir Bulović
Faculty Director of MIT.nano
Fariborz Maseeh Chair in Emerging Technologies
Lab | Bio | MIT.nano

Dan Huttenlocher
Dean of the Stephen A. Schwarzman College of Computing
Web

Morning Keynote
NCsoft
Songyee Yoon, CEO of NCsoft West
Web

9:30am
Session 1: Interaction, Fabrication, and Transportation

Brian W Anthony
Associate Director, MIT.nano
Principle Research Scientist, Mechanical Engineering and IMES
Bio | Lab

Fox Harrell
Director, Imagination, Computation, and Expression Laboratory (ICE)
Professor of Digital Media & AI
Bio | Lab

Wojciech Matusik
Director, Computational Fabrication Group
Associate Professor, Computer Science and Artificial Intelligence Laboratory (CSAIL)
Bio | Lab

John Leonard
Co-Director, Ford-MIT Alliance
Samuel C. Collins Professor of Mechanical and Ocean Engineering
Bio | Lab
10:50am
Session 2: Motion, Manipulation, and Sound

Dina Katabi  
Director, Networks @ MIT Group  
Class of 1947 Career Development Professor, MIT CSAIL  
[Bio | Lab]

Alberto Rodriguez  
Associate Professor of Mechanical Engineering  
Director, Manipulation and Mechanisms Laboratory  
[Bio | Lab]

Ian Condry  
Professor of Global Studies and Languages  
Join appointments: Anthropology; Comparative Media Studies  
[Bio]

11:55am
Session 3: MIT ILP and the Startup Exchange

Introduction to the MIT Industrial Liaison Program  
Including an overview of the MIT Startup Exchange (STEX)  
and presentations by STEX companies.

12:35pm
Lunch

Lunch and STEX Company Posters

1:50pm
Afternoon Keynote

Dow Chemical  
[Web]
2:35pm  
Session 4: Stories, History, and Augmentation

Caroline Jones  
Director Transmedia Storytelling Initiative  
Professor Department of Architecture  
Bio

Admir Mašić  
Esther and Harold E. Edgerton Career Development Assistant Professor  
MIT Civil and Environmental Engineering (CEE)  
Faculty Fellow, Department of Materials Science and Engineering (DMSE)  
Bio | Lab

Stefanie Mueller  
Assistant Professor, Electrical Engineering and Computer Science (EECS)  
MIT Computer Science & Artificial Intelligence Laboratory (CSAIL)  
Bio | Lab

3:35pm  
Session 5: Sensing, Society, and Technology

Panel Discussion

5:05pm  
Closing

One-minute poster pitches and poster session
